A MESSAGE FROM OUR CHIEF

My Brothers,

Looking back on the past six months as your Lodge Chief, I am proud to report that the accomplishments in our lodge have been inspirational. The lodge administration has worked diligently to introduce new, innovative programs and resources that are designed to benefit all of you – our members. Our lodge's communication plan has evolved immensely this year as we begin to utilize modern forms of technology, including social networking, e-mail, and text messaging to deliver the latest updates within the Shawnee Lodge. Similarly, the yearly registration postcard is now available to be submitted online for your convenience. Furthermore, we have challenged your chapter officers to strive for achieving the Quality Chapter Award this year.

The 2010 Winter Fellowship Banquet was another successful event this year, thanks to our event chairman and Lodge Corresponding Secretary Clayton Weems. Once again, we had outstanding attendance that overwhelmingly supported the Toys for Tots collection. Congratulations to the 2011 Vigil Honor candidates, whose leadership and example mark our lodge the best in the nation. We look forward to seeing you at the Spring Conclave to complete your journey toward the Vigil Honor.

Arrowmen of our lodge also participated in the Ceremonial Team Seminar this month. It was an opportunity for our ceremonialists, both new and experienced, to gather for a day of brotherhood and ideas on how to grow as vital contributors of the Shawnee Lodge. Organizing and developing this year's event was Stuart Krull, our Lodge 2nd Vice Chief. Thanks, Stuart, for your leadership.

Plans are well underway for the 2011 One Day of Service, to be held May 6-8 at St. Francois State Park, in Bonne Terre, Missouri. Registration is now available online at www.shawneelodge.org, and I encourage you to join us for a weekend of cheerful service. The Shawnee Lodge has the potential to make a significant impact in our community if we join together in service. A special thanks goes to Bobby Kaye, our Lodge 2nd Vice Chief, who is working to make this year's event a memorable one for each of you.

The Lodge Executive Committee continues to discover new ways to serve all of you, our members. Remember, however, that our Order is only as strong as its members. We challenge you to seek what it means for you to be a member of Scouting's National Honor Society, and what your purpose you hold in a life of cheerful service. Consider Meteu's words at the conclusion of the Ordeal Ceremony "We with hearts and wills united pledge to serve his holy purpose, this our reason and intent mark with silence reverent." I look forward to seeing you at the Spring Conclave!

Yours in cheerful service,

Ben Luedloff
Shawnee Lodge Chief

AMAZING OPPORTUNITIES THIS SUMMER

Are you looking for something beyond the usual summer camp? Check out these great opportunities to go camping and participate in exciting activities. Registration forms and more information for each event can be accessed on the lodge or council websites, or at your local Scout office. Register soon; space is limited. Registration forms are in this edition of *The Lookout*.

RANGER PROGRAM

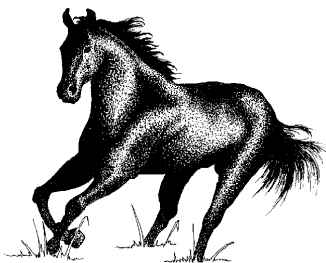

Do you go with your troop to summer camp every year and yearn for something new? The Ranger Program is calling your name. You’ll spend Sunday night with your troop, but on Monday morning, you’ll take off and spend the week exploring the “other side” of the Ranch. Rangers spend their days roaming the backcountry, hiking every corner of the Ranch with some awesome experiences on the way: try out a sweat lodge, shoot black powder rifles, or blacksmith at an actual forge.

RIVER RANGERS

Are you one of those Scouts who loves a new outdoor challenge and go the extra mile (no pun intended)? How about the River Rangers, a once-in-a-lifetime experience where you have the opportunity to float down the Eleven Point River. Flow through the Ozark hills, pass steep bluffs, and enjoy the shade of forested valleys. Stopping at outpost camps along the river, the River Rangers take part in challenging programs that guarantee a whole new appreciation of nature and self-reliance.

HORSE CAMP

If you think all you’ll do here is ride horses, you’re dead wrong, because you do so much more than that. Sure, you get to ride horses—a lot—but you also get to swim, go shotgun shooting, and rappel from cliffs. The week ends with a Horse Show that you get to participate in!

NATIONAL YOUTH LEADERSHIP TRAINING

This week-long course is aimed at honing you into a mean, green, leading machine. Like Lord Baden-Powell said, "The Spirit is there in every boy; it has to be discovered and brought to light." NYLT seeks to teach you how to be a leader. The week utilizes the patrol method to teach how to lead yourself and, ultimately, how to lead others. As any NYLT graduate knows, "If you can see it, you can be it."

PACK AND PADDLE

Warning: this course is not for the weak at heart. Pack and Paddle builds on the NYLT course by incorporating hiking through the backcountry and canoeing on the beautiful Nims Lake. Pack and Paddle even gets to stop at Huck's Cove, camp in the tree houses, and hike to Castle Rock. If extreme is your middle name, Pack and Paddle wants *you*.

EXTENDED ELANGOMAT PROGRAM

This program uses the Elangomat to give a candidate guidance throughout his first year in the Order of the Arrow. The Elangomat will be expected to keep in contact with the new Ordeal member, encourage him to attend Order of the Arrow functions, and assist him with earning the Brotherhood Honor. The two-part patch for the Extended Elangomat Program, as well as additional information about the program, can be found on the Lodge website, www.shawneelodge.org.

TROOP OA REPRESENTATIVE PROGRAM

The Troop OA Representative Program is aimed at sharing information quickly to the entire Lodge. It is imperative that each Troop have an Order of the Arrow Representative who will fulfill his role in the Troop OA Representative Program. Contact your Chapter Officers for more information or to sign up.

CAMP PROMOTION PROGRAM

During the past few years, the Lodge has fundamentally changed our Camp Promotion Program. Promotions are now given exclusively to Cub Scout Packs, where promotions have a much greater chance of being effective. For those of you helping with Camp Promotion, start now. The final deadline is May 1.

On December 20, 2010, the Shawnee Lodge hosted its annual Winter Fellowship Banquet. Thank you to those who came.

Boone Trails

First off, I would like to congratulate all of this year's Vigil candidates.

I would also like to thank everyone who came to our chapter banquet and the Old Farts who cooked the delicious meal. The banquet was great, as was the presentation from the St. Charles County K-9 Unit.

We gave out a lot of information at our Chapter Banquet. This included our new chapter communication program. To get all of the chapter's up to date information, all you have to do is text "follow boonetrailsoa" to 40404. You will get a text every time we update the chapter information. Standard text messaging rates still apply. Don't miss out on this excellent new program.

I would also like to remind everyone that the Spring Conclave will be April 8-10. We are still looking for Elangomats, so anyone interested should contact us immediately. For anyone who is interested in ceremonial teams, we meet every Sunday at the Jungs Station Baptist Church from 3 p.m.-5 p.m. If you are interested, contact the Chapter. I look forward to seeing everyone at the Spring Conclave.

Yours in Scouting,
Cody Seckfort
Boone Trails Chapter Chief

Grand Towers

Back in the early fall, the members of Grand Towers Chapter staffed the district's Fall Camporee. The staff was entirely comprised of OA members.

We have several events coming up in the spring. The district's spring camporee is being staffed and designed by OA members. We will also be conducting a clean-up of the Arch Grounds in the spring.

Jasen Jackson,
Grand Tower Chapter Chief

Gravois Trail

Greetings Fellow Arrowmen,

I would like to start by thanking all of you who attended and participated in the Lodge Winter Fellowship Banquet and its Toys for Tots program. Congratulations to the 28 Vigil Honor recipients, including Dave Chambliss, Jackie Noel, and Phil Tilghman from Gravois Trail. Thank you also to all those who attended our February Chapter Banquet at Genesis, and congratulations to those three brothers that were awarded the Distinguished Arrowman award: Drew Arneson, Ian Wohlstadter, and Tim Barton. This year seems to be going very well, and it is because of your outstanding participation! The officers, chairmen, and advisers appreciate it!

We are looking forward to having a very smooth and successful Spring Conclave this year. Continue to work toward your Brotherhood and Beyond Brotherhood Honors. If you are interested in being on a ceremonial team, please let us know.

Furthermore, there will be at least 2 service projects this spring. The chapter will be volunteering at a food shelter, so keep your eyes and ears open for more information. The lodge will be hosting its annual One Day of Service, May 6-8, this year at St. Francois State Park. Get excited!

Lastly, our May Chapter Meeting will be on Wed., May 11, place & program TBD. I challenge everyone in Gravois Trail to get more involved in the OA and Scouting by fulfilling the Obligation and continuing to be cheerful. We would be more than willing to help you get involved. If you have any questions, feel free to call me at (314) 352-7106, or go to our website at www.gravoistrailoa.org. Once again, thank you for participating in and supporting the OA.

Joe Shaver
Gravois Trail Chapter Chief

New Horizons

Brothers,

The Lodge Winter Fellowship Banquet was a great success. A mountain of toys was collected for the Toys for Tots campaign and it was astounding to see

how many were there. I would also like to congratulate all the new Vigil nominees Bobby Kaye, Ben Moore, Ray Kreienkamp, Earl Binder, and Eleanor Philips. It is a great honor to be nominated for Vigil.

Spring Conclave is fast approaching at Beaumont. The cost includes a patch, dinner, and ice cream social. I encourage the new Ordeal and Brotherhood members to attend and watch their respective ceremony again. It is important because in the excitement you missed a lot of the important messages throughout the ceremony and you will be amazed at how eye opening it truly is.

WWW,
Ben Moore
New Horizons Chapter Chief

North Star

Fellow brothers,

What a pleasure it has been to serve as your Chapter Chief so far this year! Both the November meeting (at Demolition Ball) and the February Banquet (highlighted by food, Family Feud, and snakes) went as smoothly as possible. We as a chapter are clearly among the elite, and I would like to thank you enormously for your participation up to this point.

However, we must not stop charging forward! Several events are going to be here before you know it. First, the Shawnee Lodge Spring Conclave, one of the two main weekend events of the OA calendar, is to be held April 8-10 at Beaumont Scout Reservation – it is a rather laid back event, and we could use your help in preparing ceremonial sites. Second, everyone's favorite event of the year, the May Lock-in, is May 13-14 at Grace Lutheran Chapel. At this amazing gathering, we will have the following events: a short business meeting, dodgeball, endless snacks, tons of video games, movies, and an all-around good time. If you choose not to attend this meeting, I won't be upset, but ask anyone who has been to one before and they'll tell you that you're missing out. So be there!!!

North Star, let us never forget that we are the best chapter. Prove it with participation.

See you soon!
Michael J. Kremer
North Star Chapter Chief

Osage

Dear Fellow OA Members,

I hope you enjoyed the Winter Fellowship Banquet and the annual Chili Cook-off. I would like to thank everyone who attended and congratulate those who participated in the Chili Cook-off.

At the January Roundtable we began to give Arrowman of the Year nominations. Please fill these out! Please take the time to nominate any worthy Arrowman, youth or adult, for this recognition. You can give completed nomination forms to any of the officers when you see them. These will be due at the March Roundtable.

Lastly, Ordeal members continue to work toward sealing your membership.

Your Chief,
Glen Hervey
Osage Chapter Chief

Ozark Trailblazers

Dear Arrowmen,

During the course of this year, we are continuing something new to add to the chapter. The only way to attain this goal is through you, the brothers. As Chapter Officers, we will do everything we can to make it fun but at the same time a learning experience for our members. Remember we are open to any ideas you may have and we encourage you to get involved.

I would like to congratulate our Vigil nominees, Dennis Weems and Clayton Weems. I would also like to remind you of Spring Conclave, and keep your eyes open for news on our May meeting. With that, if you have any questions or comments, a great place to talk to your chapter officers is at the monthly Roundtables.

Yours in Brotherhood,
Travis Culton
Ozark Trailblazers Chapter Chief

Pathfinder

Dear Pathfinder Arrowmen,

Our Chapter has been doing great. At our first meeting, we had over 50 people in attendance who had a lot of fun bowling. Our first service project was also a hit. We had over 60 people in attendance across the two days, and we managed to sort the popcorn in under 2 hours on the first day. The second day also went great when we distributed it.

We are making good progress on achieving the Quality Chapter Award. We met our first attendance goal at our November Chapter Meeting. We also already have one service project. We hope all of you had a fun time at our February Banquet. For more information about other upcoming events, check out www.pathfinderoa.org.

Another requirement of quality chapter is Brotherhood Conversion. I strongly encourage all Ordeal members to earn Brotherhood and seal their membership in the Order. It is not that hard; if you came to the Banquet and the service project, you are well underway. You could also participate in Camp Promotion, Elangomats, and Ceremonial Teams. Check the website for the next dates of these meetings. I strongly encourage all of you to achieve the Brotherhood honor!

Becoming active in the Order is what makes it so much fun. I strongly encourage all my brothers to participate in something: chapter meetings, and service projects. Really enjoy the Brotherhood of Cheerful Service.

WWW,
Sam Picus
Pathfinder Chapter Chief

River Trails

Fellow Arrowmen,

I'd like to thank everyone for coming to the February Chapter Banquet, we had a great time. I'd also like to congratulate those few that received their distinguished Arrowmen awards.

Sincerely,
Colin Canepari
River Trails Chapter Chief

Thunderbird

Fellow Arrowmen,

I hope you are all having a good start to the new year. This year should be a good one for the Thunderbird chapter. We have already our February chapter meeting and it was a great success. At the meeting, we had great food and we also had a guest speaker who shared lots of interesting information on Native Americans.

I look forward to seeing all of you at our May chapter meeting and the Spring Conclave.

Yours in brotherhood,
Josh Hill
Thunderbird Chapter Chief

The Year in Review

Our Lodge had a great year in 2010, and we want to build on that success in 2011. Here's a reminder of the fellowship we shared this past year:

Spring Conclave

The 2010 Spring Conclave was held at Beaumont Scout Reservation on April 16-18. The Lodge hosted a Good Turn Project at this event - a canned food drive. Each Arrowman brought at least one can of food to the Conclave. All of the cans were distributed to a local food pantry on Saturday afternoon of the conclave.

The 2010 Vigil Candidates are officially installed as new Vigil members.

Ceremonial Teams practice for the night's performance.

Hawk lodge hosted the conclave. The climbing tower and zip- line were open. as well as many training cells and activities, not to mention ceremony competitions, patch trading and new section officer elections. The Shawnee Lodge hosted the campfire Saturday evening, which included skits, songs, and a presentation from our very own Mr. Don Dotson about patch design.

The Shawnee Lodge officers perform a skit during the campfire.

First Vice Chief Bobby Kaye hosts the Lodge Administration training cell.

One Day of Service

The Shawnee Lodge's One Day of Service was held from April 30 – May 2, 2010 at the S bar F Scout Ranch. Projects focused on repairing the property after a 2009 storm.

On behalf of the Marine Corps Reserve and children in the St. Louis Area, thank you for your donations. We also congratulate the 28 Arrowmen who were selected to receive the Vigil Honor at this event. These Scouts and Scouters have given countless hours to improving our Lodge.

Guest Speaker Lieutenant Colonel Robert Pat Crisler.

The Vigil Candidates sat down together after being recognized.

Fall Reunion

Our Lodge welcomed new arrowmen to the Brotherhood of Cheerful Service at the Fall Reunion. It was a successful event, which officially ushered in the new slate of Lodge and Chapter officers.
