DOTSON '15

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position or office to one or more of the following: their lodge, the Order of the Arrow, or the camping program.

Under no circumstances should tenure in Scouting or the Order of the Arrow be considered as reason enough for Vigil Honor recommendation. The Vigil Honor is the highest honor that the Order of the Arrow can bestow upon its members.
