The screenshot shows a member dashboard for Shawnee Lodge #51. The header includes the lodge logo and a 'HOME' link. A sidebar on the left lists 'PORTAL PAGES' such as Dashboard, Manage Email Subscriptions, Change Password, Memberships, Upcoming Events, Registered Events, and Files. The main content area greets the user with 'Good evening,' and displays a profile card with a placeholder image and buttons for 'Edit Profile' and 'Change Password'. To the right, a 'Membership' card shows an active status, season pass details, and buttons for 'Manage Auto-Renew', 'Upgrade', and 'Renew'. Below the profile card is a 'Registered Events' section with a message and a 'Browse Events' button. Blue arrows and text annotations point to these features: 'Edit your profile' points to the 'Edit Profile' button; 'View your membership status' points to the 'Membership' card; and 'Register for events' points to the 'Browse Events' button.
